

April 13, 2012

Below are anticipated construction activities for the week of 4/16/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Traffic signal improvements are underway on the following roads.

- 16th Street from Dr. Andrew J Brown Avenue to Roosevelt Avenue
- Dr. Andrew J Brown Avenue from 16th Street to 30th Street

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. 21st Street from Emerson Avenue to Arlington Avenue was closed on February 21 and will remain closed for 120 days. This project also extends into Warren Township.

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at <http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.

Restrictions may be in place while bike lane construction is underway on Shelby Street/Madison Avenue from County Line Road to Virginia Avenue. This project also extends into Perry Township.

Restrictions are in place on Delaware Street from Bicking Street (one block south of McCarty Street) to just north of McCarty Street so the contractor can remove the “bump out” at the northwest corner of McCarty Street and Delaware Street. This work will begin either Friday, April 13, or Monday, April 16, and will take approximately two weeks to complete. Access to the parking garage on the east side of Delaware Street will be maintained during this restriction.

Restrictions may be in place as work begins on a sign structure on Virginia Avenue at South East Street.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The pedestrian lighting and paver work under the Bankers Life garage on Virginia Avenue has the southbound curb lane restricted. This restriction will be in place through the end of April. The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are now in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Fine grading and stone sub-base will start to be placed next week, and roadway curb will follow shortly after. Traffic signal work will continue at Stevens Street and Virginia Avenue. Removal of pavement will continue from Norwood Street to Merrill Street.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes. The contractor has

removed all of the pavement and curbs. The utility companies will start at Capitol Avenue and continue west with their relocation work starting Monday, April 16. This relocation work is not as extensive as previously thought. The contractor will start placing drainage structures by the middle of next week with the roadway curb following.
